Event Name: Petrochemicals and Refineries Asia 2010

Date: November 16 to 18, 2010

Venue: Bangkok International Trade and Exhibition Center (BITEC), Bangkok, Thailand

Who should Exhibit:

Additives & Tech solution providers
Chemical engineering systems and suppliers
Cleaning systems and equipment
Computer systems and equipment
Condensate Trading companies
Consultancies
Cryogenic technology and equipment
Distillation systems and equipment
Electrical systems and equipment
End products manufactures
Engineering design and contracting
Environmental engineering systems management,
System and equipment
Fabrication
Financial instructions/Bank
Heat exchanges systems and equipment
Instrumentation and control systems and equipment
In't/Regional Refinery/Crackers
Liquids, Gas-to-Liquids, MTO, MTP
LNG tanker technology and associated equipment
Laboratory equipment and instruments
Maintenance system and equipment
Metals and alloys suppliers
Bio Ethanol/Natural Gas/Methanol producers
Oil, gas and petrochemical consultancy
Pipeline equipment
Process technologies
Power generation equipment
Pumps and compressors
Recovery plants and systems
Reliability technologies
Safety equipment and systems
Shipping/logistics
Training course/service
Valves and fittings

Show Dates & Open Times

November 16, 2010	09:00-17:00
November 17, 2010	09:00-17:00
November 18, 2010	09:00-17:00

You can participate by

Exhibiting your latest innovative technology
Taking advantage of PRA 2010's unique and/or customized sponsorship opportunities
Submitting and presenting a study/paper at the conference
Advertising your latest products at show
Visiting the exhibits

Attendee profile

Petroleum engineers and managers
Regional Petrochemical & Refining senior manager
Corporate strategists & marketing manager
Chemical engineers/suppliers
Refinery managers and engineers
Research and development engineers
Petrochemical plant managers
Pollution control specialists
Project construction managers
Regulatory/Government Agency
Pollution control specialists
Project construction managers
Energy Business Analysts
Academe

Space and Standard Booth Information

9-35 sqm	US\$ 395.00	US\$ 425.00
36-99sqm	US\$320.00	US\$ 350.00
> 100 sqm	US\$ 295.00	US\$ 320.00

Standard Booth Package @ US\$ 50 per sqm

Exhibition Size: Gross area of 4,000 sqm.

Anticipated No. Delegates:

800-1000 delegates from Asia Pacific Region

Expected No. of Visitors: 3,000

Organised by Ministry of Energy Thailand, Thailand's Petrochemical Industry Club and Petroleum Refining Industry Club – both subsidiaries of the Federation of Thai Industries
